

**GOVERNMENT OF ODISHA
FISHERIES & ANIMAL RESOURCES DEVELOPMENT DEPARTMENT**

Scheme: Popularization of Fishery Machinery/ Equipments/ Implements for Intensive Aquaculture in Odisha during the year 2020-21

AIM :

- Implements like Aerators, Air blowers with aero-tubes, bio-security nets, fishing nets are the integral part in aquaculture for enhancing the production.
- The aim of the scheme is to provide subsidy support to farmers/ fishers who will procure above implements during 2020-21 through State Plan Scheme “Popularization of Machinery/ Equipments/ Implements”

SCHEME OBJECTIVE :

- To sustainably increase the productivity and production of fish and shrimp.
- To maximize the profits of farmers by preventing disease outbreaks, stabilizing the biotic factors, etc.

ADVANTAGES OF FISHERY MACHINERY / EQUIPMENTS / IMPLEMENTS :

- Maintenance of water quality in the pond.
- Oxidation of toxic gases released due to decomposition of left out food regimes.
- Use of bio-security net act as a bio-security measure by preventing entry of pathogen carriers and predators such as crabs, snakes, rodents and disease infected water etc from outside the tank through pores of tank bunds.
- Increase in Food Conversion Ratio (FCR) by efficient use of artificial feed for converting into body mass.
- Provision of harvesting net shall help in reducing the harvesting cost.

SCHEME OUTLAY & SUBSIDY :

- Total outlay under the said programme is Rs.300.00 lakh.
- Unit cost and pattern of assistance for the Fishery machinery/ equipments/ implements are given below:

Unit cost and pattern of assistance for the Fishery machinery/ equipments/ implements				
Sl. No.	Component	Maximum Units per farmer	Tentative Unit Cost (Rs.)	Maximum Admissible subsidy per unit or 40% of the unit cost whichever is less (Rs.)
1	Aerators			
i)	Aerators- 1 HP	4	25,000	10,000
ii)	Aerators- 2 HP	6	40,000	16,000
2	Air Blowers			
i)	Air Blowers- 5 HP	1	70,000	28000
ii)	Air Blowers -10 HP	1	1,20,000	48000
3	Fishing Nets with all fittings	1(300 Ft)	50,000	20000
4	Bio-security Nets	1(Lump-sum)	20,000	8000

ELIGIBILITY:

- Individual fish farmer/ fishers/ registered members of Primary Fisherman Cooperative Society/ WSHGs involved in fish/shrimp production are eligible for the scheme.

STEPS INVOLVED IN CITIZEN SUBMITTING APPLICATION :

- The scheme shall be advertised through the Departmental website, newspapers and wall posters in the District and Block Fisheries Offices across the state.
- Interested fish farmers/ Brackish water farmers/ private entrepreneurs/ unemployed youth shall apply in the prescribed format as specified in **Annexure-I**.
- The filled in application forms along with following documents should be submitted to the respective District Fisheries Officers through hard copy or through email. The applications can also submitted online to Directorate of Fisheries, Odisha, Cuttack through email: **director.odifish.inland@gmail.com**.
 - Identification Proof (Aadhaar Card).
 - Land document on which the proposed tank exist (Photocopy)/ Lease Deed of GP Tanks for Women SHGs/Fishermen ID Cards/ PFCS member.
 - If Bank loan, consent letter from Bank.
 - Bank A/C No. with IFS Code for DBT (Photocopy).

PROCESS FOR PROVIDING SUBSIDY :

- 1) The selection of beneficiaries shall be made in a transparent manner by the District Fisheries Officer.
 - The DFOs on receipt of the applications will forward it to the concerned AFOs for verification about the land holdings/ existence of the farm, hatchery unit, nursery or rearing units etc.
 - The initial geo-tagged photographs of the Aquaculture farm/ hatchery units/ rearing units along with the beneficiary and field verification report shall be prepared by the AFO and submitted to the DFO. The AFO should ensure that the machineries and equipments for project proposed by the beneficiary is completely new.
 - The list of supplier/ agencies/ manufacturer or their authorized dealer of the implement to supply it to the beneficiary shall be empaneled through open EoI process from the Directorate.
 - The DFO shall issue a **Go Ahead** letter to the selected beneficiaries to procure the equipments from any of the empaneled supplier/ agencies/ manufacturer or their authorized dealer as per preference of the beneficiary.
 - Upon installation of the equipment, the beneficiary will intimate the concerned AFO who shall intimate to concern DLOs.
 - Beneficiaries shall install the implement in the pond which shall be verified by the district level inspection committee. The District Level Inspection Committee (DLIC) comprising of the following members shall undertake joint field inspection of the site and keep record.
 - District Fisheries Officer
 - Assistant Fisheries Officer
 - SFTA / JFTA
 - The beneficiaries shall submit the GST bills and tax invoice of the implements procured.
 - Only the items mentioned under the scheme are eligible under subsidy upon submission of actual GST bills for those items.
 - Geo-tagged post-installation photographs of the assets created along with the beneficiary will be taken by the District Level Inspection Committee (DLIC) upon completion of the installation. The beneficiary will be eligible for getting back ended subsidy only after submission of the verification report by the Committee.

- 2) The beneficiary shall be eligible for back ended subsidy of 40% on the unit cost finalized in the open EoI process.
- 3) The maximum units eligible for subsidy is prescribed in above table.
- 4) The maximum admissible subsidy per unit shall not exceed the prescribed amount as shown at above table of this guideline.
- 5) A beneficiary shall be eligible for subsidy for only one component as listed in the above table.
- 6) The beneficiary who have availed the subsidy on any of the above components in last 5 years shall not be eligible to get the subsidy on those components. However he/she can be eligible to avail the subsidy in any other component.
- 7) The DFO shall release the subsidy to the beneficiaries through DBT only on the eligible items after proper verification of the GST bills.

FINANCIAL OUTLAY :

The number of units under various components in the scheme is given below and can be changed with approval of Director of Fisheries, based on the demand for various equipments by the fish farmers

Sl. No.	Component	Tentative No. of Units	Unit Cost (Rs.)	Admissible Subsidy (Rs.)	Total Amount (Rs.)
1	Aerators				
i)	Aerators- 1HP	200	25,000	10,000	20,00,000
ii)	Aerators- 2 HP	588	40,000	16,000	94,08,000
2	Air Blowers				
i)	Air Blowers- 5 HP	98	70,000	28,000	27,44,000
ii)	Air Blowers -10 HP	87	1,20,000	48,000	41,76,000
3	Fishing Nets with all fittings	504	50,000	20,000	1,00,80,000
4	Bio-security Nets	199	20,000	8,000	15,92,000
Grand Total					3,00,00,000

Annexure-I

Application Form

1. Name of the Applicant ::
2. Name of the Farm / Hatchery ::
3. Address :
 - a) Plot No. :
 - b) Khata No. :
 - c) Village :
 - d) G.P. :
 - e) Block :
 - f) District :
4. CAA License No. for brackish water farm / shrimp hatchery ::
5. Mobile Number ::
6. Category (Gen/SC/ST/OBC) ::
7. Male / Female ::
8. Age ::
9. Educational Qualification ::
10. Employed / Unemployed ::
11. Whether supported under any Govt. Schemes during last 2 years?
If yes, which scheme? ::
12. Identification Proof (Aadhaar Card)
(Enclose a Photocopy of the Aadhaar Card)
13. Bank Finance/ Self Finance ::
14. Banking Details :
 - a) Name of the Account ::
 - b) Account No. ::
 - c) IFS Code ::
 - d) Name of the Bank ::
 - e) Branch Name ::(Enclose a Photograph of the first page of the Bank Passbook)

15. Self Declaration:

I do hereby declare that the above facts are true to the best of my knowledge and I am willing to avail the financial assistance under the scheme on: Popularisation of Fishery Machinery/ Equipment/ Implements” and utilise the Govt. assistance for the said purpose.
